It is especially important to get your 2024-2025 COVID-19 vaccine if you are ages 65 and older, are at high risk for severe COVID-19, or have never received a COVID-19 vaccine. The CDC recommends everyone ages 6 months and older should get an updated 2024-2025 COVID-19 vaccine.

Are you or someone you know homebound and in need of a COVID-19 and/or Flu vaccine? Contact the Montgomery County Homebound Vaccine Program to schedule an in-home vaccine appointment. (Insurance is required.)
