

**Coming Up! Building Belonging in the
Workplace: Disability Overview**
April 18, 2024, 12:00 - 2:00pm, Zoom
Free and open to all, thanks to PA Link
Facilitated by: Denis Okema, SEI
Social Work CEU Eligible!

[Register Here!](#)

Elevate your awareness and understanding of disabilities in all forms with this training facilitated by Denis Okema, Director of Diversity and Inclusion at SEI!

We will learn the Do's and Don'ts of working with those with disabilities, develop strategies to foster inclusive and understanding environments for all, and learn how to integrate disability inclusion into all aspects of our organizations, from culture to recruitment and day-to-day activities such as program development/evaluation and service delivery.

Thank you to the [PA Link](#) for sponsoring this training to be free and open to all in our community! *We are grateful for your partnership and support!*

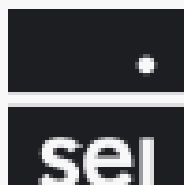

Learn more about Denis Okema and [SEI](#)!

Denis Okema
Director of Diversity and Incusion

Denis is responsible for helping all of SEI foster an environment that gives a voice to employees with diverse backgrounds and experiences, as well as supporting key company strategies and programs, including Learning & Development, Coaching & Consulting, employee recruitment, and SEI's employee-led affinity groups.

Prior to joining SEI, Denis spent years as a consultant for diversity, equity, and inclusion in corporate nonprofit and education spaces and as Director for Diversity, Equity, and Inclusion with Cristo Rey Philadelphia. Okema earned his Bachelor of Science in development studies from Makerere University and his Master of Science in administration of human services from Chestnut Hill College, as well as a Professional Advanced Certification in Diversity and Inclusion from Cornell University School of Industrial and Labor Relations.

**Gwynedd Mercy
University**
Bachelor of Social Work

Thank you to the Gwynedd Mercy University Bachelor of Social Work Program for sponsoring Social Work CEUs for licensed social workers, licensed professional counselors, licensed professional therapists, and licensed clinical social workers that attend at least 85% of this training. Additional instructions will be included in the follow-up materials.
