CHIP AWAY AT LEAD POISONING

The Lead-Free Promise Project Southeast Pennsylvania Regional Conference

The Lead-Free Promise Project, Children First, and the Montgomery County Department of Health and Human Services are pleased to invite you to save the date for our upcoming Southeastern Pennsylvania Regional Lead Poisoning Prevention Conference. This conference hopes to bring together leaders in the five-county region to share care management best practices and identify gaps in services and resources in the region.

The conference will be held on **Wednesday, October 25th, 2023**, in Blue Bell, PA at Montgomery County Community College. Please see additional details below and keep your eye on your email for a formal invitation with a registration link.

We hope you can join us!

CHIP AWAY AT LEAD POISONING

The Lead-Free Promise Project Southeast Pennsylvania Regional Conference

Date: Wednesday, October 25, 2023
Time: 8:30 AM to 3:00 PM
Location: Montgomery County Community College, Blue Bell Campus
340 Dekalb Pike
Blue Bell, PA 19422

Join leaders from the Pennsylvania Department of Health, officials from local health departments, leading public health professionals, advocacy nonprofits, state-agency leaders, and policymakers for an informative day of conversations and presentations during the first-ever **Chip Away at Lead Poisoning: The Lead-Free Promise Project Southeast Pennsylvania Regional Conference**.

This free conference will give attendees important, and potentially lifesaving, best practices to identify and respond to children with elevated blood lead levels — while providing assistance through public health and human services. Identification of gaps in services and resources, key policy issues of funding, and the sustainability of programs will also be examined.
