Pre-work:

- *Teams:* Meet with your coach to discuss Session 1 learning; Review and finalize your team's values and norms.
- *Individuals:* Reflect on the history of your community - what are the events, policies, and social changes that have shaped the current conditions related to race and social justice? (Bring along any notes or links to resources to post on the timeline.)

Objectives:

1. Continue learning about the historic and present-day structuring of racism and inequities, with emphasis on the local and regional context.

2. Co-create a race and social justice history timeline with an emphasis on the geographic region.
