

# Bucks-Mont Collaborative

## Understanding Climate Change, Environmental Health, and Advocacy Opportunities

### Presentation & Discussion

April 2

10:00-11:30am

[Zoom](#)  
[Registration Link](#)

### Description:

Join us on April 2 to learn more about climate change, and our natural systems as the problem and solution. Discover opportunities for individual and collective advocacy, with time built to develop your advocacy 'elevator pitch.' Breakout rooms will offer opportunities to discuss what's happening locally as well as connections with others interested in this work in Bucks and Montgomery Counties.

### Presenters:

Erin Reilly, Executive Director,  
Riverbend Environmental  
Education Center

Tess Wilson, Network  
Engagement Manager,  
Audubon Mid-Atlantic
