

## **FAMILY STRENGTHENING PROGRAMS**

We provide families with early childhood services, parenting strategies, recovery support and reunification assistance. With the exception of Parenting Together, these services are free of charge and open to families throughout Bucks County. Families may enroll in multiple programs based on needs and interests.

### **PARENTS AS TEACHERS**

Parents as Teachers is an evidence-based Early Childhood service that assists families with parenting, promotes child health and development, prevents child abuse and prepares children for kindergarten. Participating families and their preschool-aged children receive personal visits from a Certified Parent Educator, health and development screenings and a network of resources.

### **NURTURING PARENTING**

Nurturing Parenting incorporates preventative education programs, that are designed to empower individuals and families with new knowledge, beliefs, strategies and skills to promote positive and healthy lifestyle choices.
