

PREVENTION EDUCATION PROGRAMS

HEALTHY RELATIONSHIPS MAKE HEALTHY COMMUNITIES.

Parents in the Know

For parents/caregivers

- Engages caregivers in child sexual abuse prevention
- Strategies to addressing inappropriate behaviors committed by adults
- Become comfortable with talking to children about bodies and development
- Recognize questionable behaviors in adults
- How to talk to kids about respectful relationships

All programs are trauma-informed, victim/survivor-centered, developmentally appropriate and based on evidence documented by the Pennsylvania Coalition to Advance Respect. Programs are facilitated by Prevention Education Specialists who are trained sexual assault counselor/advocates. Customized programs are available.
