Tuition: \$3,800 or FREE for Bucks County residents that meet eligibility requirements

This 7-week online training program provides you with the skills necessary to work effectively in any business environment with the perfect combination of technical and essential soft skills.

The Bookkeeping with Quickbooks Certification provides an introduction to the principles and concepts of financial accounting as well as Quickbooks and Microsoft Excel. Students will work one-on-one with a career coach/recruiter to assist them with their resume and job search. The skills learned in this course can translate into many career paths including financial analyst, accountant and financial supervisor.

Participants must have access to a computer with video and webcam & internet for training consideration.

All candidates will undergo interview to determine program suitability.
