

# Create a culture of voting with WeVote

Business and civic leaders have an important role to play in building a culture of civic participation.

Doing so benefits businesses, communities and the health of our democracy.

WeVote gives voters the tools to register to vote, learn about offices and candidates, and understand the best way for each individual to cast their ballot.

**We want every eligible voter to vote, to be informed when they vote, and to vote with confidence.**

## What does WeVote provide its partners?

Employees expect their employers to respond to politics and be good corporate citizens. Committee of Seventy's WeVote initiative works with businesses and civic leaders to give voters the tools, resources and nonpartisan information to be fully informed and empowered when casting their ballots.
