HUMAN TRAFFICKING 101: INDICATORS & RISK FACTORS OF HUMAN TRAFFICKING & SEXUAL EXPLOITATION

This course will allow learners to understand what defines human trafficking and its impact on communities. Learners will be able to identify the complex risk factors in vulnerable populations and symptoms of human trafficking. This course will provide connections and discuss how addiction and substance use intersects with human trafficking and exploitation. Learners will acquire resources and skills to respond to individuals who may present symptoms of human trafficking and how to respond.
