

PREVENTION PROGRAMS FOR SCHOOLS

HEALTHY RELATIONSHIPS MAKE HEALTHY COMMUNITIES.

The Healthy Relationships Project

Grades K-8

- *State-approved* model program under PA Act 71 Child Exploitation Awareness Education
- Meets social-emotional, mental health and academic needs
- Contributes to a "stress free environment for children"
- Prevents child sexual abuse includes technology safety

All programs are trauma-informed, victim-centered, developmentally-appropriate and based on evidence documented by the Pennsylvania Coalition Against Rape. Programs are facilitated by Prevention Education Specialists who are trained sexual assault counselor/advocates. Customized programs are available.
