ICE RAPID RESPONSE TRAINING

Trainer

Heidi Roux

Director of Immigrant Justice, The Welcome Project PA

Training Overview

This training equips staff, volunteers, and community leaders with the knowledge and tools to respond quickly and effectively if Immigration and Customs Enforcement (ICE) enters or targets a workplace. Participants will learn key legal rights, best practices for protecting workers, and steps to ensure safety while documenting activity and minimizing disruption.

You will leave with resources and networks to stay connected to others aligned in protecting immigrant rights, including Rapid Response Networks in Bucks and Montgomery Counties.
