

# AAPI COALITION TOWN HALL

**COMMUNITY STRENGTHS & NEEDS ASSESSMENT:  
CORE FINDINGS FOR YOUR FEEDBACK**

Join us to hear from the Asian American Coalition for Health and Human Services!

**Wednesday, March 19  
12:00-1:00pm**

**Zoom**

**REGISTER NOW** >

With the support of HealthSpark Foundation, the Asian American Coalition for Health and Human Services has been conducting a regional strengths and needs assessment for two years and is ready to share findings!

This town hall is your opportunity to hear key findings on the challenges, priorities, and aspirations of AAPI communities in our region, with opportunity to share feedback. Join us!

This 2-year research project has been funded through an ARPA grant by the Montgomery County Recovery Office.
