Community Prevention Education Internship

This part-time intern position assists in raising community awareness and improving the response to child abuse in Montgomery County. The Community Prevention Educator Intern will report to the Director of Prevention Education and Outreach and will support delivering trainings to children in a classroom setting. This internship offers valuable experience in education and advocacy, with flexible scheduling and the opportunity to make a meaningful impact on child safety in the community.

Position Structure

- Part-time

Office Schedule & Location

- Must be able to commit to working two full weekdays per week (approximately 8:30 am to 4:30 pm)
- Must have daily access to a reliable vehicle as work is performed at a variety of locations throughout Montgomery County

Benefits

- Gain hands-on experience in community education and outreach
- Develop skills in public speaking, data analysis, and program implementation
- Build professional connections with educators and community leaders
- Contribute to meaningful efforts in preventing child abuse
- Work in a supportive and collaborative environment with flexible scheduling
- Enhance understanding of child welfare issues and social responsibility

Mission Kids Child Advocacy Center is dedicated to achieving healing and justice for victims of child abuse by providing collaborative services, advocacy, leadership, and education. Our vision is to protect children and youth from abuse, address their physical and emotional needs, and ensure justice on their behalf.

Education Requirements

- Currently enrolled in or recently graduated from a relevant degree program (e.g., education, social work, psychology, public health, marketing, communications or related field)

Required Knowledge & Skills

- Experience with education, child care, mental health, social work, community outreach or marketing
- Experience with Public Speaking and the ability to effectively engage youth audiences
- Knowledge of child abuse issues and comfortability discussing child sexual abuse, body safety, and prevention techniques to both children and adults
- High level of maturity and the ability to work independently in a school-based environment
