

KINDERGARTEN VACCINE CHECKLIST

Children headed to elementary school should be vaccinated against:

- CHICKENPOX (VARICELLA)**
- DIPHTHERIA, TETANUS AND WHOOPING COUGH (DTAP)**
- MEASLES, MUMPS & RUBELLA (MMR)**
- POLIO**
- COVID-19**
- FLU**

Before your child turned 2, they should also have been vaccinated against Rotavirus, Hib, Pneumococcal disease, and Hepatitis A & B. Make sure they're caught up!
