

Concussions and Brain Injuries: Supporting Children Through BrainSTEPS

Join Bucks County LIFE for a **FREE** virtual workshop

This workshop is offered to families, individuals, and professionals living and working around Bucks County and its surrounding areas.

This workshop will provide information on brain injury and the BrainSTEPS program that supports students in the schools who have experienced any kind of traumatic or acquired brain injury. This will be an interactive and informative session that discusses return to learn after brain injury (e.g., concussion, stroke, brain tumors, etc.).

Date: Wednesday, April 26th from 12 PM - 1:30 PM

Location: Online via Zoom

Presenter

Sarah Krusen MA CCC/SLP CBIST is a speech language pathologist for the Bucks County Intermediate Unit #22, Bucks IU BrainSTEPS Team Leader, and coordinator of their Brain Injury Programs. Sarah earned her undergraduate degree from Temple University in Speech Language Hearing Science. She went on to complete her Masters degree at The College of New Jersey in Speech Language Pathology. She has since earned a graduate certificate from George Washington University in Transition Special Education and Brain Injury. She also holds a certificate as a Certified Brain Injury Specialist Trainer through The Academy of Certified Brain Injury Specialists (ACBIS).
