RE: Youth Empowerment Day
Powered by TCN's Youth Engagement Committee

The program designed to help regional nonprofits find student volunteers (or student participation in your programming) is back! On Thursday, September 26th at 9:30am up to 100 students from the regional high schools will gather at the Althouse Arboretum (1794 Gilbertsville Road, Pottstown) for a day of service learning and volunteer training. They will be searching for volunteer opportunities and programs.

We are inviting all nonprofits to **set up and staff a display table between Noon and 1:30** to meet prospective participants and tell them about the great work you are doing. You can then select your volunteers. TABLES WILL BE PROVIDED.

1. Help find student volunteers and program participants
2. Promote your organization
3. Get a FREE LUNCH!

Date: Thursday, September 26th
