A Day of Preventive Oral Care

Sealant Day at Harcum College

Monday, February 19, 2024

Kids aged 6-12 are welcome!

Appointment times: 9 am, 10:30am, 1 pm

Space is limited. Call ahead for an appointment:
610-526-6015 or email dentalclinic@harcum.edu

FREE Dental Hygiene Services Include:

- Application of cavity-preventing seals ("sealants") on kids' teeth
- Oral Exams
- Fluoride Treatments
- Health care tips and instruction

The sealants provided during Harcum's free service help to prevent future tooth decay and cavities, and aid in overall oral health. Harcum's Sealant Day dental faculty and volunteers realize the importance of preventative care and strive to help children, families, and the community learn the value of oral care in overall health and wellness.
