New project applications may be created through reallocation process or as bonus projects for the following components:

Domestic Violence Bonus: The CoC may apply for up to 10% of its PPRN (Preliminary Pro Rata Need), which is estimated to be around \$328,096 for PA-511, to create DV Bonus projects. Project applications must be for a minimum of \$50,000. Projects that want to be considered for the DV bonus may be:

- a) Permanent Housing - Rapid re-housing projects (PH-RRH) dedicated to serving survivors of domestic violence, dating violence, sexual assault, or stalking who qualify as homeless under paragraph (4) of 24 CFR 578.3.

Expansion Projects: HUD will allow project applicants to apply for a new expansion project (see Section III.B.2.j of this NOFO) through reallocation, CoC Bonus, and DV Bonus processes to expand existing projects to increase the number of units, persons served, services provided to

existing program participants, or to add additional activities to HMIS and SSO-Coordinated Entry projects. If the new expansion project will expand an existing eligible CoC Program renewal project HUD will not fund capital costs (i.e., new constructions, rehabilitation, or acquisition) and will only allow 1-year funding requests.

Consolidation Project: Applicants intending to use the consolidation process to combine two or more (but no more than ten) eligible renewal projects (e.g., permanent housing-permanent supportive housing projects) during the application process. See Section V.B.4.a.(7) of the NOFO for further information.
