Dear Community Leader,

At Oliver Heating and Cooling we are launching our **25th Annual Heat for the Holidays** program, and we need your help. Would you please post the enclosed flyer on your bulletin board and announce it to your constituents, friends, and neighbors?

**Heat for the Holidays** is a program designed to donate and install heaters for families in need in the local area during the holiday season. We believe strongly in giving back to the community that has helped us succeed.

A panel of community leaders will be selecting the final recipients.

If you have any questions, I can be reached direct at 484-470-1978 or email me at [adennon@oliverhvac.com](mailto:adennon@oliverhvac.com).

Sincerely,

Ashley Dennon  
Marketing Manager

## *Heat for the Holidays* Give the Gift of Comfort to Someone in Need

**With winter fast approaching and the holiday season ahead of us, Oliver is planning its 25th Annual Heat for the Holidays program!**

Since 1998, Oliver has been providing comfort to people who are in urgent need of a new heating system but are experiencing financial hardships that prevent them from purchasing one. We call our community outreach program, "Heat for the Holidays".

Last year, Oliver helped a single mother who works two jobs to support her teenage son and autistic 8-year-old. When her heater stopped working a few years, she could not afford to replace it and was struggling to keep her home warm in the winter. A granddaughter reached out on behalf of her widowed grandmother with limited income, whose heating system was over 30 years old and no longer keeping her house warm. In the last 25 years we have completed over 79 heating installations at no charge to deserving families and individuals.

 *If you know someone who is struggling to keep their home safe and comfortable, write us a letter telling us about their situation.*

### **Here is how it works:**

1. Write a letter nominating a family or individual. You can nominate yourself.
2. Describe why the nominee deserves to receive a free heater..
3. Include medical circumstances, financial hardships, community involvement, and other circumstances that will help with the evaluation process.
4. Nominee must own their home and live in one of our service areas: Delaware County, Chester County, Montgomery County, and New Castle County
5. Include the nominee's full name, address and phone number. Include your full name, address, and phone number.
6. Deadline to receive submission is November 10, 2023. All information will remain private and confidential.
7. Selected nominees will be contacted by phone in mid-December.

### **Three ways to submit your letter:**
