

NON PROFIT BUSINESS 101 WORKSHOP

About The Workshop

According to the National Center on Charitable Statistics, the failure rate of nonprofits is over 30% within the first 10 years. The lack of money / poor business practices, lack of a business plan, lack of leadership, unrealistic expectations, and the inability to adapt are common reasons for nonprofit failures. This session will be the first in a series of sessions in basic business skills offered by TCN in partnership with TriCounty SCORE to help local nonprofit leaders be successful and grow their nonprofit.

Frederick P. Remelius, BS, MBA
Volunteer Certified SCORE Mentor

This Event Will Be Held On Web Ninja:

Wednesday, April 19th
10:00 am - 11:30 am
