Washington University in St. Louis

NSF GRFP Fellowship Writing Workshop Series 2022

Washington University is offering a [Fellowship Writing Workshop Series](#) for students who plan to apply for the [National Science Foundation \(NSF\) Graduate Research Fellowship Program](#) (GRFP) in October 2022. Attendees will learn about and practice writing all the relevant elements of a GRFP proposal.

The Fellowship Writing Workshop Series consists of three parts:

Part 1

GRFP Overview and Grant Writing Workshop for Early Graduate Students

Joseph Jez, PhD

Spencer T Olin Professor & HHMI Professor in the Department of Biology

Wednesday, July 20, 2022

1 - 3 p.m.

You may attend live via Zoom, or watch the recorded session afterwards via Learn@Work.

Registration instructions below.

Part 2

Write and Refine Components of Your GRFP Application

Steve Pijut

Associate Director for the Writing Center

Tuesday, August 9, 2022

1 p.m. - 3 p.m.

You may attend live via Zoom, or watch the recorded session afterwards via Learn@Work.

Registration instructions below.

- *After completing Parts 1 and 2, you MUST upload a short summary of your project into Learn@Work.*

Part 3*

Participate in faculty-led small group discussions, reviewing and revising the materials you have written for your application.

Registration links for Part 3 will be emailed directly to those who have completed all prerequisites.

- *Prerequisites include Part 1 and Part 2 (including uploading a summary of your project in Learn@Work). No exceptions are offered to attend Part 3 without completing Parts 1 and 2.*

Timeline

Visit the [NSF GRFP Fellowship Writing Workshop website](#) for a detailed timeline of required and recommended tasks from July - October 2022.

- **Now:** [Registration](#) is open!
- Parts 1, 2, and a summary of your project must be completed by September 5, 2022.
- Registration links for Part 3 will be emailed on September 6, 2022, directly to those completing all prerequisites.
- Part 3, the small groups will begin meeting the week of September 12.
- Application Deadlines: Anticipated deadlines are mid-October 2022. Deadlines will be announced soon on the [NSF's GRFP website](#).

This series is brought to you by the McKelvey School of Engineering, the Division of Biology & Biomedical Sciences, the Office of Postdoctoral Affairs, Arts & Sciences, the Brown School, the Writing Center, and the Office of the Vice Chancellor for Research.
