

The University of Wisconsin-Madison & Extension Nutrient & Pest Management (NPM) Program is currently recruiting for two full-time outreach specialists to serve as our northeast and north-central Wisconsin Regional Specialists. The Position Vacancy Listings are posted at:

<http://jobs.hr.wisc.edu/cw/en-us/job/496320/nutrient-pest-management-regional-outreach-specialist-northeast-wi> and

<http://jobs.hr.wisc.edu/cw/en-us/job/496321/nutrient-pest-management-regional-outreach-specialist-north-central-wi>

The NPM Program is an education outreach program that works with Wisconsin farmers and the agricultural professionals who assist them to promote agricultural practices for protecting water quality while maintaining profitable farms. The NPM Program operates as a unit within both the University of Wisconsin-Madison's College of Agricultural and Life Sciences (CALS) and UW Cooperative Extension (UWEX). More information on the program can be found at <http://ipcm.wisc.edu/npm/>

Any help that you could give us in distributing this announcement or recruiting qualified candidates would be most appreciated. Questions regarding this position vacancy should be directed to Scott Sturgul.

Thank you,

Scott Sturgul
