

Easter Flowers

Please join with others to remember loved ones at this most festive time of the year through the gift of flowers. We all enjoy the beauty of Easter flowers. Your gift will ensure they are beautiful again this year and for months to come. The live potted plants will be planted by the youth group in the beds around St. Luke's following the Easter services. Please mark your donation with Easter Flowers.

Please provide the church with the following information - -

Your Name:

Memorial or Thanksgiving:

Other Information:

You may print this, fill it out, and place it in the offering plate on Sunday or call, 778-4499, or email, info@slecp.org, the church office with the information above no later than Tuesday, April 11.
