

Outreach News

You may be wondering how the Outreach Commission distributes the money from the Outreach budget. The Outreach Commission asks the following question “Does this organization’s request fall within the scope of the Vision and Mission statement?” If the answer is yes then the organization is considered for a grant and the commission discusses the appropriate amount to be award and votes on it.

Vision Statement

Seeking to serve Christ through serving our neighbor.

Mission Statement

The mission of the Outreach Commission of St. Luke’s Episcopal Church is to bring parishioners together to help others, especially those in need of food, water, shelter, clothing, and educational opportunities.
