

# WhatsOK.org

The first **youth-focused** website and helpline services for youth and young people with concerns about potentially problematic sexual interests and behaviors.

## the **PROBLEM**

- Upwards of 70% of and teens are sexually abused by other children or teens.
- Support, information, and resources for youth who have or are at risk for perpetrating sexual offenses are limited.

## our **SOLUTION**

## **YOUTH** contacts

2,742 page views from 2,270 users

31 emails

7 texts

4 chats

0 calls

Is watching hentai legal?

Am I addicted to porn?

If the kids are my age, is that still illegal?

**38%** of inquiries were from youth who had abused or were at-risk of abusing

## what we **LEARNED**

Free, anonymous info & text line.

whatsok.org
