**Can't help on Saturday?
Help with clean up Sunday,
11.7, starting at 10am.**

Auction Server Opportunity

Many of you have volunteered as Servers at the SJV annual Auction before. It is not only worthwhile but a really great time! The Auction is Saturday evening November 6th, 4:30 till 9:00. Food will be provided at 4:30 downstairs for the Servers! Once again this year we will be eating before we start working on the banquet room. There will be an assortment of warm food like Chile and snacks throughout the evening. We will still have our "Server Tables" in the back of the banquet room.

As in years past we ask that you wear Black slacks or skirt and plain white shirts/blouses. Gentleman please wear a plain collared white shirt. And, COMFORTABLE SHOES!

For our Youth members, remember this qualifies for your community service credits at school or SJV. Be sure to bring your paperwork and we will sign it for you. (Don't worry we can sign later if you forget...)

Because of Covid 19 all our Servers must be vaccinated and we will need to wear Masks during the evening.

Please email, text or call me to let me know you are interested and that a parent is included in the communication for safe environment. My contact information is below.

I look forward to seeing you on the 6th!
