

Fullerton Neighborhood Clean-Up

Thursday, June 13, 2019 | 10:00 a.m. – 1:00 p.m.

Help spruce up the neighborhood with the Lincoln Park Chamber of Commerce (LPCC) and its community partners. On Thursday, June 13, the LPCC will be hosting a community clean-up day along Fullerton Avenue from Racine to Ashland.

Have you noticed litter on the sidewalks? Trash in the planters? Let's brighten up the street by removing litter from the sidewalks, planters, and tree beds, as well as sweeping away any leaves and garbage along the sidewalks. In addition, LPCC staff and volunteers will remove dead vegetation in the planter beds along the corridor.

Interested in helping out?

- Come out and join us! We'll be sure to have enough supplies for everyone. Please email **bryan@lincolnparkchamber.com** before 12:00 p.m. on Wednesday, June 12 if you are planning to help.
- Can't make it on June 13? Continue the neighborhood clean-up all summer long! If you notice litter on the street, in tree beds, or in planters, help beautify the street by removing any trash.
- Businesses, please help us keep the street clean by sweeping in front of your store and clearing any trash on your sidewalk.

Who is providing this service?

This Clean-Up Day is being organized by the Lincoln Park Chamber of Commerce in an effort to maintain the sidewalks and planters along Fullerton to make it a pedestrian friendly area for residents and visitors. For more information, please visit **lincolnparkchamber.com**.

How will this affect my business?

While our team may be out in front of your store, removing litter and/or sweeping, we don't expect any impact to your daily operations. Volunteers and staff will be sure to keep the entryways to your business unobstructed. The end result is to have cleaner sidewalks, tree beds, and planters along Fullerton for shoppers and residents alike!

If you have any questions, please contact Bryan at the LPCC at **(773) 880-5200** or by email at **bryan@lincolnparkchamber.com**.
