

Thank you for joining us tonight! We're excited for you to explore and discover the beautiful and bustling Armitage—Halsted Hub in Lincoln Park.

The Armitage—Halsted Hub is home to some of Chicago's most unique shopping and dining including an incredible "clicks to bricks" scene featuring pop-up and flagship stores for national online brands like The Tie Bar and Interior Define. In addition to being one of Chicago's most famous shopping districts, the Armitage—Halsted Hub is also known as Lincoln Park's unofficial wine district anchored by J9 Wine Bar and Chez Moi, as well as Lincoln Park Uncorked: An Armitage—Halsted Wine Stroll held every May.
