Cherokee County Branch 5651-B

*225 Parkway 575, Unit 1197
Woodstock, GA 30188-1512*

Dear Prospective Sponsor:

As the leading non-partisan advocate for educational, economic, political, and social justice for all people since 1909, the NAACP has worked tirelessly to that end. The Cherokee County Georgia Branch 501(c) (4), formed in 2019, is one of over 2,200 branches and is active in advocating for the Cherokee County community.

The annual membership dues support a portion of our initiatives, but are not sufficient to fund important issues of health care, educational financial assistance, and economic development, etc. Our specific goals, currently, include funds for scholarships and obtaining computers for needy students. Future goals include providing leadership training for our youth. To that end, our branch is planning its first in person Freedom Fund Banquet, scheduled for November 11, 2023, at Victory Hall of The Buzz, in Canton, GA. This is our principal fundraising activity for this year. We would be most grateful if you and your organization would consider becoming a sponsor of this upcoming event and the good works we are planning.

Below are the sponsorship levels available. More specific information, with incentives for each sponsorship level, including corporations, businesses, and individuals are detailed separately on the next page.

Platinum \$5,000 | Gold \$3,000 | Silver \$1,000 | Bronze \$500 | Partner \$300 | Friend \$150

We are excited and humbled to be a part of this organization and regard it a great privilege to lead this effort. It will afford us the opportunity to continue the work that is possible through the kindness of community leaders like yourself.

If you desire to become a sponsor or would like to give a donation, here are your options:
