

Dear Parents,

St. Rita School offers two winter sports – Basketball for students in Grades 3 – 8 and Cheer Squad for students in Grades 5 – 8. If your child is interested in playing either sport, please complete the following information form(s) and return to the school office or via email to athletics.stritaschool@gmail.com

I've also included some key information below. More details will be provided in the upcoming weeks. Please continue to read the weekly newsletter to keep up to date.

- (1) There is a participation fee and an apparel fee per player, per team.** The participation fee will be based on the number of students who participate, covers league entry fees for the team and referee fees for all games. The apparel fee will be based on each specific sport and will be in addition to the uniform that the school provides. These fees will be communicated out by October/November, and will be automatically added to your SMART Tuition account in January/February 2019.
- (2) Once teams are assembled, each student will need to complete 4 mandatory forms.** The forms must be received within two weeks of practice beginning or your child cannot participate until the forms are received. For those students currently playing soccer, you will not have to send in the forms again.
- (3) Cheerleading will have an Informational Meeting** for the parents and students on Tuesday, October 1st at 3:00. Basketball will have a Mandatory meeting that will be announced in the coming weeks.
- (4) If you are interested in coaching** (head or assistant coach), please make sure to fill out that information in the attached forms. We expect to have a large participation turnout, and will need your support.
- (5) Practices will start for the Varsity and JV teams at the Mid/End of Oct.** Practice schedule will be announced after we pick the coaches. League Games will start around the 2nd or 3rd week of December. JJV will start practices some time Nov/Dec.

If there are any questions, please do not hesitate to reach out to me. We look forward to a fun and exciting season.

Sincerely,

Mike and Trisha D'Errico
