

THE FUTURE OF FOOD IS PLANTS

March 3, 2021 at 6:00 PM
Virtual Event
Register: tinyurl.com/11yioycw

The evidence is clear—a plant-centered diet is the optimal foundation for promoting health.

With clarity and care, Reshma Shah, MD, MPH, a pediatrician & affiliate clinical instructor at Stanford University School of Medicine, and Brenda Davis, RD, a world renowned expert and pioneer in plant-based nutrition, empower parents to become the experts of nourishing their families.

The Medical Society of Delaware designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™
