Beebe to Host Facebook Live Virtual Town Hall on Aug. 10 for a COVID-19 Pandemic Update

LEWES (Aug. 3, 2021) – Beebe Healthcare is inviting the public to a COVID-19 Town Hall on Tuesday, Aug. 10, from 4:30-5:30 p.m.

David A. Tam, MD, MBA, FACHE, President & CEO, and Bill Chasanov, DO, infectious disease physician, VP, Chief Officer of Population Health, Value Based Care, Physician in Chief, will share updates about the continuing COVID-19 pandemic, including the delta variant and how people can continue to stay safe and healthy. In addition to latest COVID-19 updates, Dr. Tam will touch on what's new at Beebe as we grow to meet the needs of Sussex County.

To watch, simply log into Facebook and come to Beebe Healthcare's Facebook page to look for the live video.

If you do not have access to Facebook, you may also watch or listen to the presentation in these additional ways:

Beebe Healthcare is a not-for-profit community healthcare system with a charitable mission to encourage healthy living, prevent illness, and restore optimal health for the people who live in, work in, and visit the communities we serve. Beebe Healthcare has three campuses: the Margaret H. Rollins Lewes Campus, which houses the medical center; the Rehoboth Health Campus; and the South Coastal Health Campus. Beebe Healthcare offers primary care as well as specialized services in the areas of cardiovascular, oncology, orthopaedics, general surgery, robotic surgery and women's health. Beebe also offers walk-in care, lab, imaging and physical rehabilitation services at several locations throughout Sussex County, in addition to a home health program and a comprehensive community health program.
