Dear Hero –

We hope this note finds you well and that your business has also recovered from the challenges we all faced these past two years. As we see a light at the end of the tunnel, we are thankful to be moving in a more positive direction again making Delaware the strong First State it has always been.

The Delaware Academy of Family Physicians (DAFP) is also looking to strengthen our programs and offerings to our primary care community. To help us address the concerns of primary care access and physician shortages, the DAFP Research & Education Foundation (REF) is a 501(c)(3) corporation and the philanthropic arm of the Delaware Academy of Family Physicians. The DAFP REF offers important programs to encourage medical students and residents to come to Delaware to explore the world of primary care and consider becoming a family physician in our state to improve access to care and provide patient education for our Delaware communities.

To support these programs the DAFP Research & Education Foundation invites you to join us as a golfer and/or sponsor to our **2023 DAFP Healthcare Heroes Golf Outing** being held on **Friday, May 12, 2023** at the **White Clay Creek Country Club** in Wilmington, DE. A Shotgun start will be at 10:00am. To learn more about how to participate, register or contribute, please contact:

Dr. Joseph Kim, Joseph.h.kim@tidalhealth.org or Candida Taylor at candida@delfamdoc.org

We are asking businesses for contributions to exciting gift baskets filled with local fare and special gift certificates that our members and guests will silently bid on. We are accepting monetary contributions, gift certificates, as well as actual items for auction.

To register for this event, please go to:

Please visit <https://delfamdoc.org/foundation/> for more information

Donations to the DAFP REF are tax deductible The tax ID# is 51-0322328.

Thank you in advance for your consideration. We look forward to hearing from you.

Kind regards,

DELAWARE ACADEMY OF FAMILY PHYSICIANS – RESEARCH & EDUCATION FOUNDATION
