Donald and Barbara Zucker School of Medicine at Hofstra/Northwell **LOGO INSPIRATION**

LOGO INSPIRATION

The Donald and Barbara Zucker School of Medicine at Hofstra/Northwell logo was inspired by several factors:

- A. The partnership between Hofstra University and Northwell Health.
- B. The primary colors of both entities.
- C. The Hofstra University shield, which symbolizes leadership.
- D. A modernized variation of the Rod of Asclepius. The two “snakes” wrapping around the rod demonstrate partnership in the practice of medicine.

LOGO SPECIFICATIONS

OFFICIAL NAME

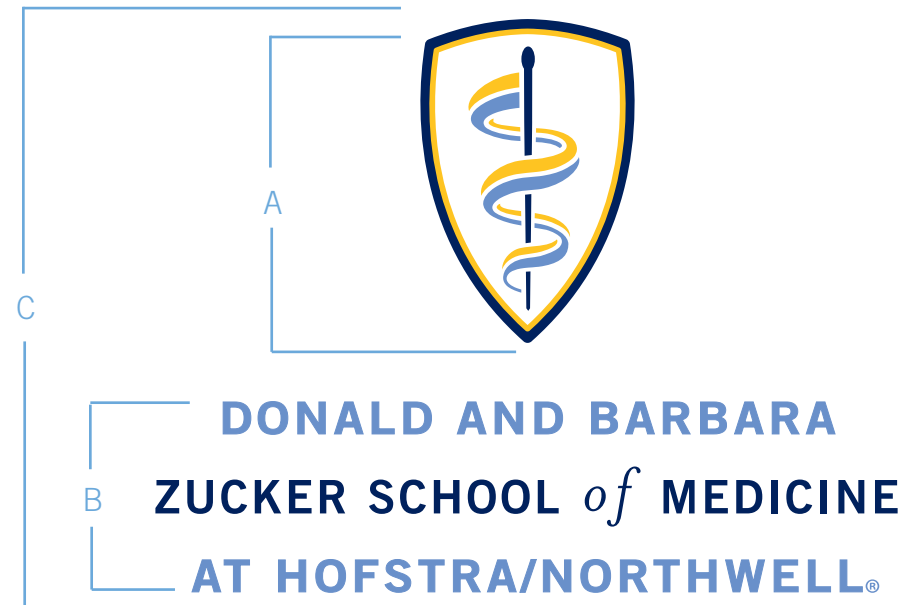

The official name of the Zucker School of Medicine is Donald and Barbara Zucker School of Medicine at Hofstra/Northwell. The official name should appear on all collateral in addition to the Zucker School of Medicine logo. The official name should always appear in Trade Gothic Bold No. 2.

Donald and Barbara Zucker School of Medicine at Hofstra/Northwell

NAME AS APPEARS IN LOGO

The logo components are officially referred to throughout this guide as:

- A. The emblem
- B. The logotype
- C. The Zucker School of Medicine logo

LOGO - VERTICAL ALIGNMENT

The vertically aligned Zucker School of Medicine logo is the preferred arrangement of the emblem and logotype. It should be used whenever space allows. The Zucker School of Medicine logo should always appear in full-color when possible.

DONALD AND BARBARA
ZUCKER SCHOOL *of* MEDICINE
AT HOFSTRA/NORTHWELL®

LOGO - HORIZONTAL ALIGNMENT

The horizontally aligned Zucker School of Medicine logo is the alternate arrangement of the emblem and logotype. The horizontally aligned Zucker School of Medicine logo should be used only when space does not allow for the vertically aligned Zucker School of Medicine logo. The Zucker School of Medicine logo should always appear in full-color when possible.

DONALD AND BARBARA
ZUCKER SCHOOL *of* MEDICINE
AT HOFSTRA/NORTHWELL®

LOGO - FULL-COLOR

The Zucker School of Medicine logo should always appear in full-color where possible. The relationship between the Zucker School of Medicine logotype and the Zucker School of Medicine emblem should never be altered, nor should the spacing of the letters be manipulated in any way.

LOGO - ONE-COLOR

The Zucker School of Medicine one-color logo should be used only when one spot color is allowed. When printing digitally (CMYK), the Zucker School of Medicine full-color logo should be used. The emblem and logotype on the Zucker School of Medicine one-color logo should always be PMS 541C or 301U depending on the print application. The following percentages should be used in the one-color logo:

- A. The Zucker School of Medicine emblem: **Outer line** is 100% PMS 541C or 301U.
Inner line is 25% PMS 541C or 301U.
- B. The Zucker School of Medicine top “snake” is 25% PMS 541C or 301U
- C. The Zucker School of Medicine bottom “snake” is 60% PMS 541C or 301U
- D. The Zucker School of Medicine “rod” is 60% PMS 541C or 301U
- E. In the Zucker School of Medicine logotype, **DONALD AND BARBARA** and **AT HOFSTRA/NORTHWELL** is 60% PMS 541C or 301U.
- F. In the Zucker School of Medicine logotype, **ZUCKER SCHOOL of MEDICINE** is 100% PMS 541C or 301U.

ZUCKER SCHOOL *of* MEDICINE —F
AT HOFSTRA/NORTHWELL® —E

LOGO - BLACK

When color is not an option, the Zucker School of Medicine emblem and logotype should appear in 100% black.

DONALD AND BARBARA
ZUCKER SCHOOL *of* MEDICINE
AT HOFSTRA/NORTHWELL®

LOGO - WHITE

When applied to a dark background, the Zucker School of Medicine logo should always appear in white.

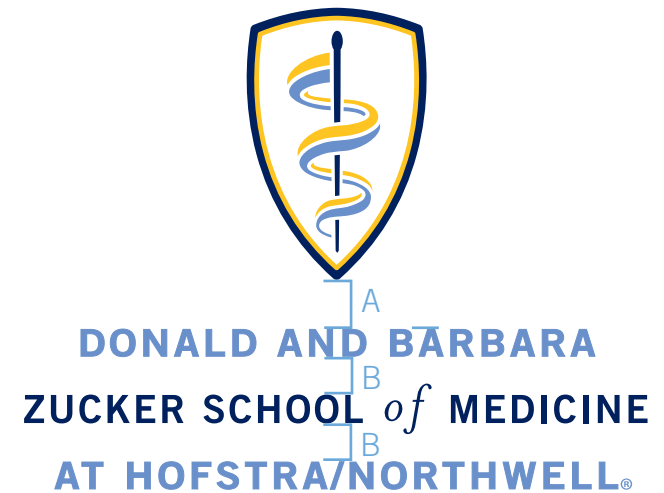

DONALD AND BARBARA
ZUCKER SCHOOL *of* MEDICINE
AT HOFSTRA/NORTHWELL®

LOGO - PROPORTIONS

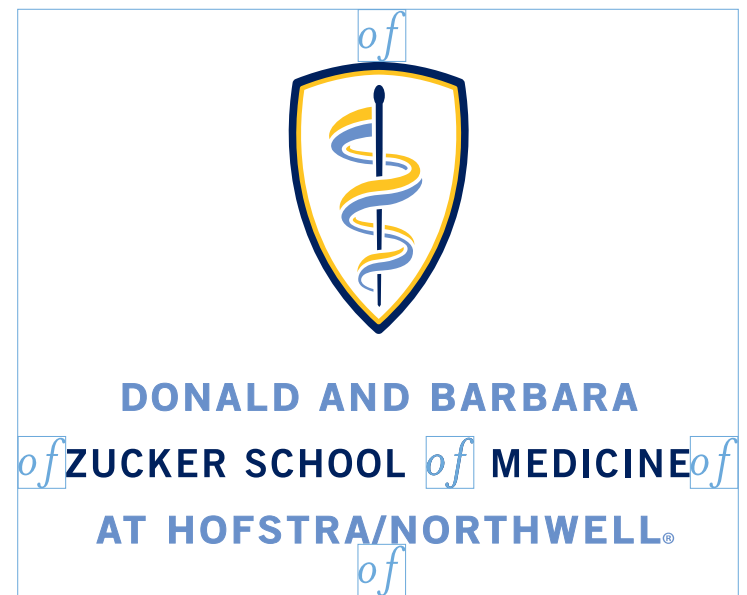

The Zucker School of Medicine logo should always be proportionally scaled.

- A. The space between the Zucker School of Medicine emblem and the Zucker School of Medicine logotype should never be altered.
- B. The space between the Zucker School of Medicine logotype lines should never be altered.

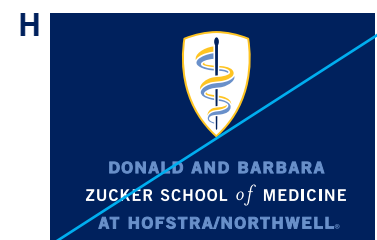

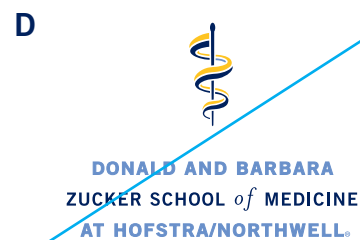

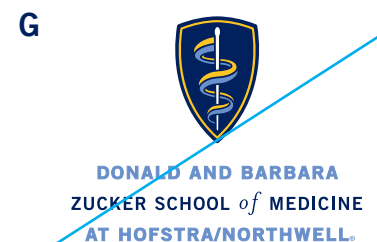

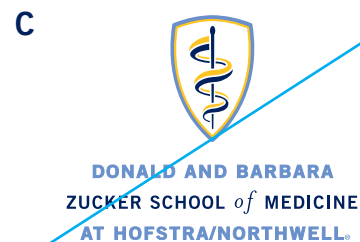

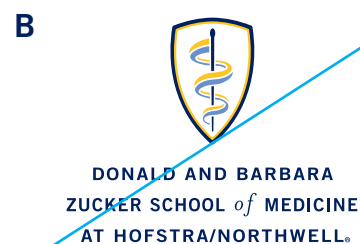

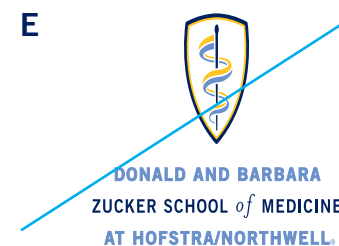

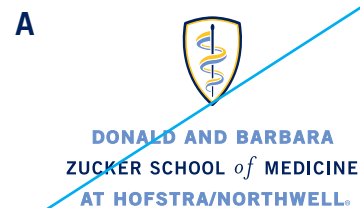

LOGO - CLEAR SPACE

The Zucker School of Medicine logo should always have an appropriate amount of clear space surrounding it. This space should be equal in size to the word “of” found in the Zucker School of Medicine logotype. This is the absolute minimum amount of space that should surround the Zucker School of Medicine logo. This space should always use the same proportions and should never be occupied by extraneous information.

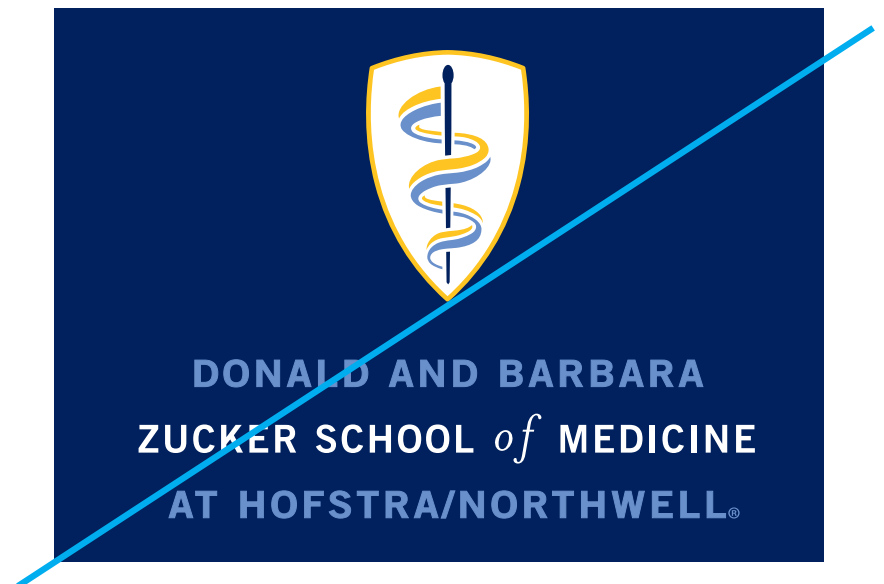

LOGO - MISUSES

- A. The size of the Zucker School of Medicine emblem should never be altered.
- B. The Zucker School of Medicine logotype for **DONALD AND BARBARA** and **AT HOFSTRA/NORTHWELL** should always be PMS 284 in the full-color logo.
- C. The Zucker School of Medicine logo colors should never be interchanged.
- D. The Zucker School of Medicine logo should never be shown with the emblem altered.
- E. The Zucker School of Medicine logo should never be scaled disproportionately.
- F. The Zucker School of Medicine logotype should never be abbreviated.
- G. The Zucker School of Medicine logo should never be shown with a blue background in the emblem.
- H. The Zucker School of Medicine logo should never appear on a blue background.

LOGO - BLUE BACKGROUND MISUSE

The Zucker School of Medicine logo should never be used on a blue background. On any other background color, the white or black Zucker School of Medicine logo should be used.

TYPOGRAPHY

The typefaces presented here are for use on the Zucker School of Medicine stationery. Trade Gothic Bold No. 2 is the primary typeface. This should not be used for long paragraphs of copy. Trade Gothic light is the secondary typeface. This should not be used for headlines. Trade Gothic Medium is used for white type on a dark background, to provide better legibility.

***NOTE: This type is not used in the Zucker School of Medicine logotype.
