

Community Engaged Studio Convening

Research and community voices drive change

We're inviting you to join our Community Engaged (CE) Studio Convening. Come and hear from investigators and community partners who have participated in our CE Studios!

Who Can Participate?

- Previous CE Studio Investigators, Facilitators, and Community Experts
- Researchers interested in learning more about CE Studios
- Community Members curious about participating in CE Studios

We'll also provide a brief update on experiences from research topics such as:

- Hearing Health Interventions
- Caregivers of Autism
- Parkinson's Disease
