CALL FOR 4X4 PRESENTATIONS: RURAL HEALTH

Connect with faculty across all CTSC
partner institutions for this 4x4 event.

Event Goals

- Showcase rural health research.
- Share new ideas and ongoing projects.
- Build collaborations for stronger initiatives.

Special Opportunity: CTSC Collaboration Workshop

Those who participate in the Rural Health 4x4 will be eligible to apply for the CTSC Collaboration Workshop beginning April 2026:

- Collaborate with early-career and established researchers.
- Access funding for preliminary data collection.
- Utilize CTSC support for publishing and grant applications.
- Enhance collaboration skills through two interactive half-day workshops.
