We are now accepting applications for CRSP 401: Introduction to Clinical Research

This course can be taken for credit or as a Non-Degree Clinical Research Fellow (Non-CRF) for no credit.

- 1. Credit Bearing (e.g. Non-Degree)** is geared towards individuals wishing to earn credit for CRSP 401. These individuals should review the Non-Degree Student Registration Guidelines at <http://www.case.edu/gradstudies/prospective-students/non-degree-students/> and complete the on-line [Non-Degree Application](#).
- 2. The Non-Degree Clinical Research Fellow (Non-CRF) (no credit)** is available to individuals who hold M.D., D.O., D.P.M., N.D., D.D.S., Ph.D., and are associated with a CASE affiliated institution (e.g. University Hospitals, MetroHealth, Cleveland Clinic, Louis B. Stokes VA, etc.). Generally, fellows and residents of Case-affiliated hospitals, who do not have an education allowance, will want to register as Non-CRF students. Non-CRF students pay ten percent of one credit hour of the regular tuition, plus the cost of books and materials. Please complete the "Non-CRF" on-line application.

Please read this before you fill out the [Application for Non-Degree Admissions form](#) or the [Non-CRF or Non-Degree Form](#)!

- Use Adobe Reader to fill out the form, you should be able to save your responses.
- Visit <http://www.case.edu/medicine/crsp/crsp-401/> to download complete step-by-step instructions to complete the applicable application, obtain parking, and course registration. The application includes a non-refundable cost of \$ 50.00.
- Be sure to select the correct type of application. The Non-CRF application should not take more than 5 -10 minutes as no documents should be requested for uploading, and if you are asked to upload or provide any documentation, you have more than likely selected the incorrect application type.
- Most all employees of affiliated institutions (e.g. University Hospitals, MetroHealth, Cleveland Clinic, Louis B. Stokes VA, etc.) have a CWRU ID#. Please verify whether an ID # is already in place **prior** to beginning the application (instructions on how to verify is on page 1 of the step-by-step instructions located at <http://www.case.edu/medicine/crsp/crsp-401/>). Complications will occur during registration if duplicate ID #s are issued.
- Please provide a valid e-mail address that you check regularly.
- International students **must** provide their foreign address in their country of citizenship; the application will not be processed without this information.
- In the "**Student Signature**" field you can type in your name.
- Upon receipt of your application, an e-mail with your course details, parking, and tuition billing information will be issued.
- After your application is processed by the Graduate School, you will receive additional information via e-mail on how to complete your registration online.
