

# CLEVELAND HEALTH PROFESSIONS EDUCATION EVALUATION AND RESEARCH FELLOWSHIP

## WHO

- Post Doctoral Health Care Professionals including:  
(Physicians, Nurses, Psychologists, Pharmacists)
- Master's Level Prepared Trainees
- Clinical/Non-Clinical Candidates

## WHAT

- Self-directed fellowship to develop skills in curriculum design, implementation and evaluation, with a focus on refining teaching skills, developing communication skills and building a portfolio.

## WHERE

- VA Northeast Ohio Health Care System - Wade Park, through the Interprofessional Improvement Research Education Clinical Center (IIRECC).

## WHEN

- Two year VA paid Fellowship beginning each July.

## WHY

- To develop Health Care professionals into Clinical Education Leaders who are able to create curriculum to align education with clinical practice while improving the clinical learning environment.

## HOW

- Application includes: CV, personal statement, letter of reference from prior student OR teaching portfolio, and structured interview.
