Advanced User Webinar

Wednesday
January 21, 2026

11 AM - 12 PM

Learn to boost your REDCap
projects with external modules!

Speaker

Sheree Hemphill

*Director,
Research Database Informatics*

Join us to discover:

- What external modules are
- How to access, request, and enable them
- Examples of popular modules in action

Perfect for advanced REDCap users who
want to add new features and streamline
research workflows.
