

# Distinguished Speaker Series

CASE WESTERN RESERVE UNIVERSITY  
Clinical and Translational Science Collaborative

## Food Insecurity and Chronic Disease Outcomes: Mechanisms, Pathways, and Interventions"

**Rebekah J Walker, PhD**

Associate Professor, Department of Medicine  
Chief of Division of Population Health  
University at Buffalo

Wednesday, April 29, 2026

12:00PM- 1:00PM

Virtual via Zoom

### Educational Objectives

At the conclusion of this activity, the participant should be better able to:

1. Review evidence for the impact of food insecurity on chronic disease outcomes.
2. Discuss potential individual level pathways and interventions to address food insecurity for adults with chronic disease.
3. Identify need for policy interventions to address structural barriers to food access.

### Accreditation and Credit Designation Statements

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 1.00 AMA PRA Category 1 Credits™.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.
