

Discover with UH

WEBINAR SERIES

Thursday, March 19, 2026

12 p.m. – 1 p.m. | Zoom Webinar

Emergency Medicine Research Awareness

Join the UH Clinical Research Center for a panel discussion on the Emergency Medicine Research and innovations as part of the Discover with UH webinar series. In this webinar, you will:

- Learn about the current state of emergency medicine research at University Hospitals
- Gain insights into patient care improvements from the implementation of the emergency medicine research
- Learn about the panelists' personal journeys into emergency medicine

Kiran Faryar, MD, MPH

Jennifer Horn, MS, RN
