

MASS TIMES SURVEY # 2

Dear Parishioners,

Here is round 2 of the Mass Times Survey. As before, only one completed survey per household, please.

The first question concerns the Vigil Mass. Currently, there are three Vigil Masses in our new family. This will need to be reduced by one so that the two assigned priests can cover these Masses. Obviously, the North Tacoma churches do not need to have two Vigil Masses at the same time. This survey question concerns your preference for the Vigil Mass start time, which parish will be assigned the Mass, and the possibility of alternating the Mass between Saint Patrick and Holy Cross. For example, during the summer months, the Vigil Mass could be at Holy Cross to take advantage of the air conditioning. This option would also enable the two churches to each have a Vigil Mass at times during the year.

The second question concerns options for a modification of the start times at Saint Patrick and/or Holy Cross so that one priest would be able to celebrate all three morning Masses. We anticipate having priest help, but if need be, the assigned priests need to be able to handle the schedule. The two options presented involve the least amount of change to the current schedule.

Please submit your response online by May 3, 2024, at <https://go.saintpats.org/survey> by scanning the QR code or filling out the paper survey at Mass. Thank you for your feedback.

Yours in Christ,

Fr. David Mulholland
Pastor
