On behalf of all of the Reps, we would like to thank all of the buyers that have taken time out of their busy schedules to support us at The Trends Show. This show is a success because of you!

We are continually adding new vendors that will enhance your wholesale shopping experience. If you have particular reps that you work with at other venues, please reach out to them and encourage them to exhibit here in Arizona. Alternatively, feel free to email us with their contact information so we can ensure they are aware of our show and provide them an opportunity to participate.

The Trends Show: An Apparel, Accessories, Shoes and Gift Show

Our vision is simple:

- *Promote The Trends Show as “the preferred wholesale show” for buyers to attend in the Southwest*
- *Introduce new emerging brands and styles to attract and serve buyers*
- *Educate buyers with trends and brand awareness to help them better prepare buying for the upcoming season*
- *Increase qualified and active buyers with promotional incentives*
- *Provide increased opportunities for buyers and Reps to interact*

We will continue to offer 4 shows per year, typically in the January, April, June, and October time frames. While this show has a section dedicated for cash-and-carry vendors, this show is primarily an order-writing show. We are thankful for not only you, the buyers, but also the reps, who commit to traveling from other states in order to share their lines with you.

Did you know, you can always
