## Back In Business & Better!

We are happy to announce that we have a new "Back in Business & Better" Initiative.

The Chamber will provide you with a yard sign for the front of your business and you record a short 30-60 second video about your reopening, new hours, sales, etc!

We will share your video on Facebook and via email to let our members and the community know you are "Back in Business & Better!"

Email the completed video to [adrian@clevelandchamber.org](mailto:adrian@clevelandchamber.org).

Please contact us to get your sign at 704-487-8521 or [bill@clevelandchamber.org](mailto:bill@clevelandchamber.org).
