

Have you noticed the popularity of river cruises reaching a point where it has become a challenge to get a cabin in 2025? Let us help you out with that, as you generate NDR from this skyrocketing demand. Embark on an unforgettable voyage through Europe's heartland or Portugal's enchanting Douro Valley with our Danube and Douro River cruises. Sail past vineyard-clad hills, ancient castles, and vibrant cities like Vienna, Budapest and Bratislava Porto. Delight in exquisite local cuisine and wines, complemented by enriching shore excursions to UNESCO World Heritage sites and hidden gems. Whether you crave cultural immersion or serene landscapes, our cruises promise a perfect blend of relaxation and discovery, ensuring every moment is as memorable as the destinations themselves. Pick a date and the airport (if NYC does not work for you) for this unmatched value and savings and let us take care of the rest. The attached itineraries are inclusive of:

- \$300 of chamber royalty per paying passenger
- a free spot for the chamber executive on mere 10 paying couples
- professionally made customised marketing materials
- tailor made booking link to alleviate your administrative tasks
