Engagement Plan

Engagement Plan

This plan, updated throughout the year, will be the blueprint for the success of your team within the Chamber. Chamber staff will identify programs, events, sponsorships, webinars and leadership opportunities that align with your business priorities.

[Upcoming Webinars](#)

The Chamber has launched a new webinar series to provide you valuable knowledge and resources during this unprecedented time.

[Coronavirus Resources](#)

We are monitoring the COVID-19 coronavirus and its potential impact on our region and want to provide you useful resources to help prepare your organization and teams.

[Business Reopening Toolkit](#)

The Chamber is committed to providing the business community with valuable resources and tools to help businesses reopen safely. This toolkit includes a directory of member companies that can provide needed supplies and resources, as well as guidelines to help you feel prepared for reopening.

[Charleston Young Professionals](#)

Through a variety of professional development and community engagement programs and initiatives, members of CYP are connected to people, business and issues that are important to them – enabling members to become leaders, collaborators and continually energized by new ideas. **FREE WITH YOUR MEMBERSHIP - [JOIN NOW](#)

Professional Development

[Leadership Charleston](#) is a 10-month intensive leadership training and civic participation program. Class topics include infrastructure, crime, workforce development, military, economic development, local and state government and education. The class also provides in-depth leadership styles and skills training. Leadership Charleston has a 43+ year history with more than 2000 alumni.

[Leadership Discovery](#) is a unique leadership development program for emerging leaders designed to heighten leadership characteristics and skills. Through Leadership Discovery, future leaders will learn from regional leaders and class peers while working on skills that expedite leadership development in this unique team-based, 3-month program.

[The Metro Leadership Visit](#), a highly sought-after leadership experience, takes a delegation of 65-75 community and civic leaders to visit other cities throughout the nation to explore issues facing our region. Strategic relationships with other business leaders are forged throughout the 2-3 day experience, providing lasting value and ROI. Exclusive access to other cities' public and private sector leaders and organizations add unparalleled business knowledge and insight.

[Thrive](#) is a Professional Women's Series that provides a platform for connection, information and inspiration between female business leaders and rising female professionals.
