Chamber travel is one of the fastest-growing sources of non-dues revenue for chambers. But let's face it—executives often wonder, *“How do I make this work without upsetting local travel agents?”*

If you've been stuck on how to navigate potential challenges with local partnerships, we've got the solution!💡 Discover how **Melanie Frazer President and CEO of the Chamber of Commerce Halton Hills** has successfully created a partnership model that brings value to everyone involved.
