YOU CAN BE THE HERO

Over \$30,000 Raised in just 3 Weeks!!

Our small businesses need help

My name is Chess and I am with The Trophy Case in Dunn NC.

Every day closed is another dollar lost for small businesses across NC. With business owners unable to open in some cases or struggling to scrape by.

We have come up with a way to help! We started a campaign called Here For Good NC to help out businesses in need. All business have to do is sign up online at [HereForGoodNC.com/Signup](https://www.HereForGoodNC.com/Signup) and then let their customers know they can support. Their customers can then go on our site [HereForGoodNC.com](https://www.HereForGoodNC.com) and pick a shirt or a hat and \$10 per item will be donated to the business they choose!

Businesses need help across NC and you can play a part in helping them continue to pay the bills and keep their employees working. You can be the HERO, the reason these small businesses stay Here For Good.
