OCTOBER 23, 2019  
CLUB REGENT EVENT CENTRE  
1425 REGENT AVE W,  
WINNIPEG, MB

## FEATURED SPEAKER: KEN FIELD

Ken is a professional 'cartonerd' with a Bachelors in cartography and a PhD in GIS. He's a former academic from the United Kingdom but after getting tired of admin and bureaucracy he ditched his 20 year academic career, moved to the US and, since 2011, he talks and writes about cartography, teaches, makes maps, and still gets frustrated with ArcGIS crashing at Esri. But it's part of his job to reduce that particular problem. He is the author of best-selling book 'Cartography'.
